The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number**Nature of Noncompliance**

1. **New Criminal Conduct:** On February 20, 2024, the defendant was arrested by the Goose Creek Police Department for two counts of Possession with Intent to Distribute Methamphetamine or Cocaine Base.

According to the incident report, Officer Grooms responded to 120 South Goose Creek Boulevard in reference to a drunk driver. Prior to the officer's arrival, Goose Creek Telecommunications reported to the officer that a concerned citizen contacted dispatch advising a white female was in a vehicle possibly intoxicated or under the influence of drugs.

Officer Grooms contacted the defendant, who was seated in her parked Kia Forte, in the driver's seat. While the officer was speaking with the defendant, he observed both the bottom and top of the defendant's eyelids continuously twitch and she spoke in a rapid manner. Officer Grooms requested consent to search the defendant's vehicle, which she declined. The officer requested a K-9 officer respond to his location.

Chief Roscoe deployed K-9 Goose and conducted a free air sniff of the vehicle, to which the K-9 alerted on the vehicle and a probable cause search was conducted. A purse sitting on the center console area was searched and officers located 1.0 grams of a substance which tested presumptive for methamphetamines and 0.1 grams which tested presumptive for cocaine. The defendant's person was searched, and she was transported to the Berkeley County Detention Center.

While at the jail, a strip search was conducted and a clear plastic bag containing multiple white rock like substances were located on the defendant's person within her bra. A black in color plastic container containing a soaked cotton swab was also located on the defendant's person within her bra.

One of the two bags located in the defendant's bra weighed approximately 1.4 grams and field tested presumptive for cocaine. The second bag weighed approximate 1.4 grams and field tested presumptive for fentanyl. The black plastic container containing the soaked cotton swab weighed approximately 0.1 grams and field tested positive for heroin.

On February 20, 2024, the defendant was issued a \$25,000 surety bond for each charge. The defendant was given a mandatory General Sessions Court date of April 12, 2024. These charges remain pending in Berkeley County General Sessions Court.

2. **New Criminal Conduct:** On February 20, 2024, the defendant was arrested by the Goose Creek Police Department for Possession of Heroin. The defendant was issued a \$25,000 surety bond and the charge remains pending in Berkeley County General Sessions Court. Details of the offense are listed in violation number one.

3.

New Criminal Conduct: On February 20, 2024, the defendant was arrested by the Goose Creek Police Department for Possession with Intent to Distribute Fentanyl. The defendant was issued a \$25,000 surety bond and the charge remains pending in Berkeley County General Sessions Court. Details of the offense are listed in violation number one.

I declare under penalty of perjury that the foregoing is true and correct.
